Australia's first national DSG Health Roundtable

The National LGBTI Health Alliance held Australia's first national roundtable on the health and wellbeing of people of diverse sex and gender (DSG) on 18 and 19 June 2012. "This was a historic meeting," said Peter Hyndal, Convenor of the Alliance's DSG Working Group and Alliance Board member.

"For the first time in Australia, transgender, intersex, and other people of diverse sex and gender, along with those working on their behalf, have gathered to discuss a program for change.

Although there have been a number of positive developments in recent years, there are still a large number of reforms required to ensure equal and appropriate treatment for all people of diverse sex and gender.

The meeting, which included broad representation from key stakeholders in every state and territory, addressed a program of action for Australians of diverse sex and gender in three broad areas: health and medical, legal and regulatory, and social services.

Unanimous agreement was reached on the main priorities which included access to appropriate medical services, identity recognition, education, training and research.

The Alliance is particularly grateful to the Australian Human Rights Commission, who hosted the Roundtable in their Sydney offices.

Acting Chair of the Alliance, Susan Ditter, said "the Alliance Board looks forward to receiving the report which will be used to inform our work including our ongoing representations to Government. "

The final report will be made widely available.

*DSG = people of diverse sex and gender, including transgender and intersex people, as well as people who might identify as genderqueer

Please contact Peter Hyndal, 0408 111 410 or Susan Ditter, acting Chair, 0429 346 122 for further information.

Half Price Drugs - Changes to Pharmaceutical Benefits Processing in Queensland for HIV Drugs

(Adapted from an article in the current issue of QPP Alive by Peter Watts)

Electronic processing of prescription for general medications has been available for some time now and many local community chemists/pharmacies use this online system if a paper script is not provided. The system has been expanded to include Highly Specialised Drugs (HSD) – also known as “S100” drugs which includes HIV medications and Queensland is the last state to go online.

The advantage of the change for PLHIV is that you can now collect two (2) months of medications for only one PBS co-payment, the disadvantage is that the historical system of each HIV patient having a unique patient code and Medicare eligibility stamped on your paper script will be replaced by a requirement for electronic recording of your Medicare Card number and details for the processing to occur.

The new system is still bound by the Privacy Act to uphold your privacy and confidentiality just as they were before. Only Medicare and your pharmacist can view your electronic Medicare details and for the legitimising the Hospital Pharmacy’s cost claim of your PBS listed medicine. Your personal Medicare information will not NOT shared or divulged to anyone.

For this small change in process your current PBS co-payments will effectively halve when your hospital pharmacy goes online (and you can have up to 5 repeats for 2 months each). Your prescriber may decide, to offer only 1 or 2 repeats, but they can offer up to 5 at their discretion. More repeats may be useful if your health is stable or if you a planning a long overseas trip.

Some hospital pharmacies are already on line and the full roll-out is expected to be complete at all Queensland Hospital pharmacies by end December this year (2012). Ask your local public pharmacy when they will be fully online for PBS and brief your prescribing doctor if you haven't already been told about is cost saving change.

For more information see full article in QPP Alive. <https://qpp.net.au>

Out & About Social Group

Tim Klazema, Co-ordinator of Out & About wants to advise people that the social group will continue after the last day of Qld Health funding to Healthy Communities.

Tim said “Things won’t change too much. People will just be asked to bring something to share with other members of the group if we are having a picnic, which is what people do now anyway. Unfortunately, Healthy Communities will not be able to provide any money towards the group after 17th Augst and we will discuss how we keep going at the next Out & About. Everyone is keen to see the group continue ”

Monday 20th August

Sex and Gender Diversity Workshop

Are you working with gender diverse clients and feeling like you are working in the dark?

Let Healthy Communities shine the light on gender diversity and assist you to better support the people you are working with.

Have you previously attended the Creating Inclusive Services workshop and found you needed more information around working with your gender diverse client?

The Gender Diversity Workshop aims to expand Healthy Communities' current training resources to provide a greater depth of information on transgender identities, gender identity, the process of transitioning, social pressures related to identifying as transgender and transitioning, health outcomes and providing inclusive service provision mechanisms. The training will also aim to develop participant's awareness of how we understand gender in the mainstream community, how these influence the understanding of transgender issues and impact upon the accessibility of services for transgender clients.

Please contact the Training & Development Co-ordinator on rmenzies@qahc.org.au for more information or to request a registration form.

We're encouraging LGBT Queenslanders (around 10% of the population) to leave 10% of your estate to Healthy Communities. Your gift will benefit LGBT people into the future and help us fight for the best health and wellbeing outcomes for all of our communities and assist with our HIV prevention work.

Even though Healthy Communities has been defunded, we own buildings in Cairns, Maroochydore and Brisbane thanks to the wonderful generosity of our supporters over the last 28 years. This capital gives us strength and we would be in a much worse situation without it.

Help us continue our great work by leaving a final gift in your Will.

You can download a free booklet to help you create or rewrite your will at www.qahc.org.au/files/shared/docs/QAHC_Bequest_Booklet__2009_.pdf or call Jason on 07 3017 1728 to get a copy sent out to you.

Many Thanks

We want to say 'Thank You' to everyone who has shown their amazing support of Healthy Communities during this turbulent time.

Our appreciation goes to The Wickham Hotel who hosted Happy Gays in June and raised almost \$2000 for Healthy Communities.

Tunic cleverly designed the 'Katter's Big Australian Sex Party' t-shirts and donated the proceeds to Healthy Communities which amounted to \$250.

Queensland Pride magazine donated \$850 which was profit from their special edition issue in support of Healthy Communities. Thank you to Queensland Pride, Gay News Network and Evolution Publishing for your great support.

The Brisbane Gay and Lesbian Business Network made Healthy Communities their inaugural community partner at the End of Financial Year Cocktail Party. Thanks to the network and your supporters.

Brisbane Pride has made Healthy Communities the inaugural recipient of the Kal Collins Memorial Fund. Make sure you support Brisbane Pride events this year as in turn, they are supporting Healthy Communities (and in turn again, all LGBT Queenslanders).

Mix Tape hosted a fundraiser at The Green Ant Cantina in Cairns on 22 June. Our gratitude goes to the organisers.

Many thanks to the cast, crew and team at Brisbane Arts Theatre for making Healthy Communities the beneficiary of two special fundraising performances of the adult puppet musical Avenue Q and for offering all of our supporters discounted theatre entry.

T-Bar had a fundraising night at The Sportsman Hotel in June for their hanky night. Thanks to Jaxxon and the team for your wonderful efforts.

Also a massive thanks to our wonderful supporters who have donated around \$9000 since the defunding crisis.

Thanks go out to www.patrickdupreezphotography.org who recently donated a photo shoot for a new round of Balls OUT Bingo! promotions.

Please support those businesses and organisations that support us.

We can't forget to thank all of our fantastic volunteers too who have given so much of their time in support of Healthy Communities. You're all much appreciated.

Wrap Up

Many people have approached us with lots of great fundraising ideas and we appreciate all of your creative input and fantastic support. The reality is that Healthy Communities will be operating at a much reduced capacity into the future so we won't be able to put on events etc. But... you can!

If you have a fundraising event idea, chat to some of your friends and contacts about it, get a bit of a plan together, then contact us to see how Healthy Communities can support and promote it.

We are grateful for all of your creative energies and happy to support your efforts, but won't have the capability to put on events ourselves, but we'll do all we can to support you in doing so. As a registered charity and not-for-profit we can access better pricing for many things, have public liability insurance etc, so keep this in mind. We can also get liquor permits if you are hosting an event where this might be an option. Plus we have a lot of volunteers who want to help out too and could work at your fundraising event.

Due to the defunding of much of our work, we'll be relying on community support more. We understand you won't always be in a position to support financially, but

you can help in other ways like:

- Creating your own fundraising event
- Promoting us through your friends and networks (like just forwarding on this email now)
- Volunteering some of your time to get involved in one or more of our many activities
- Attending a fundraising event
- Becoming a member
- Joining discussions on our Facebook group http://www.facebook.com/?ref=tn_tnmn#!/groups/30945973893/ and posting stories and events of LGBT interest

Queer Film program at West End Library **Brisbane (External)**

A community member, Jordan Bastian, has been working with Brisbane Libraries to create a Queer Film program to be screened at the West End library. The screenings are a free, monthly event that has been designed to be a little bit of an alternative social event. They will be alcohol free, and only restrictive based on film classification.

September 13th you will be able to see 'Hedwig and the Angry Inch' and then films continues monthly until January. If people show interest it will then hopefully be extended.

The program is listed below, it would be really lovely if you could make it, or spread the word!

A facebook page has been produced by Jordan, which will be the main point of communication, and we encourage film suggestions as well!

Queer Comic Club [Brisbane \(External\)](#)

Have you read an interesting or inspiring comic book lately that you think might be of interest to others? Or perhaps a character that you are very fond of in the Marvel or DC comic universe? Or perhaps you've seen a comic made into film or read a review that you find interesting? Why not join other comic book readers/fans in discussion over a cup of tea or coffee?

This is just an idea still in its infancy; but I'd like to invite others to join me in discussion about starting up an LGBT comic reader's interest group. The group would be a spinoff of Brisbane's own, Queer Readers and similarly would meet monthly.

I welcome interested parties who share a love or enjoyment in comics. Feel free to bring your ideas on the night for the group and any aims and/or objectives that you might like to see incorporated.
